February 2020

EVENTS

Be Our Valentine!

Calling all Valentines! Everyone is invited to our holiday get-together (come & go) as you enjoy complimentary snacks, refreshments and conversation on Friday, February 14, 2020 anytime between 9:00 - 2:00. This event is guaranteed to warm your heart at this special time of year!

We're Sweet on You!

In honor of you, our "sweet residents" we've filled a magnificent bowl of all sorts of delightful candy. Why? To entice you all to come to the Management Office and join in the fun! We want you to give us "your best guess" of how many candies you think are in the bowl, and we'll enter your name in our "We're Sweet On You Contest"!

YOU'RE SO KIND!

Feb. 9-15 is Random Acts of Kindness Week.

This celebration is held to increase awareness of kindness and its benefits to both the giver and receiver. Anonymous acts make the giver feel good, maybe for the rest of the day or evening. The odd thing about it is that you can't plan to do any particular type of kindness, all you can do is recognize an opportunity to kindly help someone.

From February 9-15, you have an entire week to become something of a hero. A person overloaded with packages will be surprised and pleased when you offer to carry one. The co-worker who drops papers on the floor will admire your kindness when you help to pick them up.

NEWS

THE ENTIRE STAFF JOINS IN WISHING EVERYONE IN OUR COMMUNITY A VERY HAPPY VALENTINE'S DAY! WHILE FEBRUARY IS THE TRADITIONAL MONTH OF LOVE, WE JUST WANTED TO REMIND YOU THAT WE REALLY DO LOVE OUR RESIDENTS ALL YEAR LONG! THANK YOU FOR MAKING OUR COMMUNITY SUCH A GREAT PLACE TO CALL HOME!

FEBRUARY MAINTENANCE TIP

February can be a messy month outside. Here are some tips to help you keep the mud, water and mess from coming inside with you: Use the sidewalks. It may mean adding a step or two but will save your carpet and shoes from extra cleaning; Put mats outside and inside your door. This way your guest can wipe their feet twice; If you have an assistance animal, keep a box of baby wipes inside your door. When you get back from a walk, just wipe their paws clean. Don't forget, your assistance animal may only urinate or defecate in designated areas and you agreed to immediately remove the waste and repair any damages.

Thank you for helping keep our community beautiful!
